	<i>Excellent 9-10 points</i>	<i>Average 7-8 points</i>	<i>Weak 5-6 points</i>
Song Analysis	A typed report thoroughly analyzes the song lyrics and provides information about the background of the song. (one page minimum—size 12 font). It is well organized, and spelling/grammar mistakes are minimal.	The report gives basic information about the song but does not thoroughly analyze it (as outlined in the project description). The report may be unorganized and difficult to follow.	The report presents minimal information about the song. No analysis is included (only one paragraph).
Presentation	Your presentation is well-rehearsed. The typed lyrics to the song are provided and shown via the document camera, and the actual song is played/sung for classmates.	You have neglected to provide either the lyrics or the actual song; your presentation would have benefited from more rehearsal.	You have neglected to provide either the lyrics or the song; your presentation was confusing and did not teach your peers anything about Civil War period music.
Civil War Song Chart	An attractive chart with an extensive list of Civil War songs you have listened to is provided along with brief information about the lyrics.	The chart provided is lacking in song quantity, lyric summary, or neatness.	You have not utilized the song chart to help you learn about Civil War music (very few songs and missing summaries).
