

Be the Detective!

Detectives always:

- 1 Get information from a reputable source!
My information is from:

- 2 Document all information related to the source. Give credit where credit is due. If you use more than one source, list the others on the back of the guide.

Title: _____
 Author: _____
 Publisher: _____
 Year published: _____
 Pages that I used: _____

- 3 Check information twice (Make sure you get the facts straight!).

- Checked it once
 Checked it twice

- 4 Take notes . . . write it down!

- 5 Put the information in your own words.
