

Taking Notes During Observations

<i>Grade Level</i>	<i>Subject</i>
<p>This was the best thing I saw:</p>  <p>The number 100 is written in a large, bold, black, handwritten style. The zeros are connected to each other and to the 1. Below the number are two horizontal lines, one above and one below, suggesting a score or a significant value.</p>	<p>I learned:</p>  <p>A simple line drawing of a human head in profile, facing right. Inside the head is a shaded area representing the brain. Above the head are several short lines radiating outwards, symbolizing an idea or knowledge.</p>
<p>I have a question about:</p>  <p>A large, bold, black question mark.</p>	<p>Other Notes:</p>  <p>A simple line drawing of a pencil, oriented diagonally from top-left to bottom-right. It has a textured eraser at the top and a sharp lead tip at the bottom.</p>
